For sat navs use DY1 4AL

CAR PARK A

FOR USE BY:
VLRNIC RESIDENTS

DIRECTIONS:

- From the A4037 Tipton Road, turn into Discovery Way – you will see the Travelodge on your right.
- At the mini roundabout turn left onto Zoological Drive and then take the first left following the sign to Car Park A.
- Take the first right into Car Park A (**bordered in red on the map**).

PARKING:

- If you require disabled parking, or wish to charge an electric vehicle whilst on site, please follow instructions for Disabled Visitors & EV Drivers.
- This car park has an automatic number plate recognition system in operation.
 - The security barrier will raise automatically if you have previously provided your vehicle registration number.
 - If you did not provide your vehicle registration number, please press the buzzer to inform Security of your arrival and the purpose of your visit.
- On exiting the car park the barrier will raise automatically.

ACCESSING THE BUILDING:

- Walk down towards the Security Office which is situated just before the main gates providing access the rear of the building.
- If you have already been supplied with a fob, use this to open the side gate and make your way towards the Service Entrance.
- If you do not have a fob, please report to the Security Office who will notify your host of your arrival.
- The Security Officer will then open the side gate and ask you to walk towards the Service Entrance where your host will meet you and sign you in.
