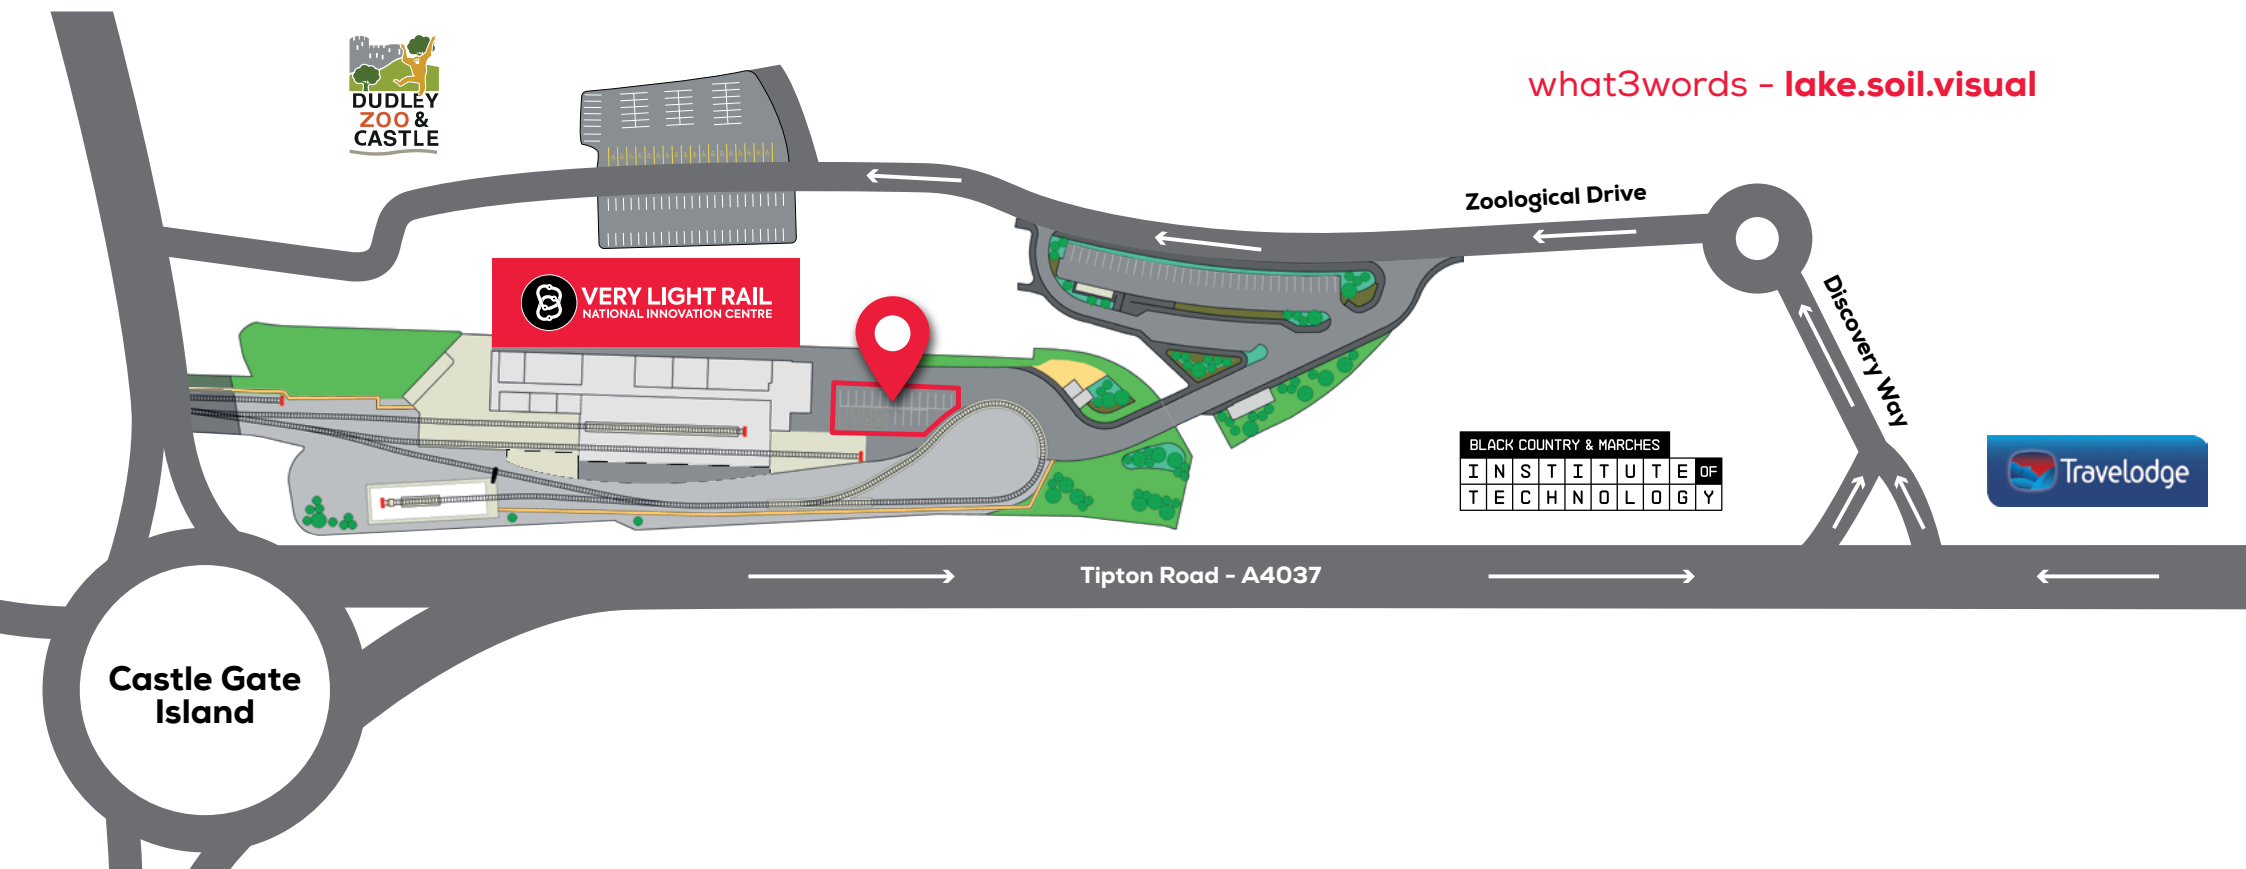
For sat navs use DY1 4AL

VERY LIGHT RAIL NATIONAL INNOVATION CENTRE | OPERATED BY BCIMO™

SERVICE ENTRANCE CAR PARK

FOR USE BY:
CONTRACTORS, SUPPLIERS, DELIVERIES, DISABLED AND EV DRIVERS

DIRECTIONS:
- From the A4037 Tipton Road, turn into Discovery Way – you will see the Travelodge on your right.
- At the mini roundabout turn left onto Zoological Drive and then take the first left following the sign to the Security & Service Entrance Car Park.
- Continue down towards the main gates and the Service Entrance Car Park (bordered in red on the map), stopping when you reach the Security Office.
- Report to the Security Office who will notify your host of your arrival and open the gates allowing entry into the car park.

PARKING:
- If you require disabled parking, please park in one of the disabled spaces ensuring your blue badge is on display.
- If you require EV charging, please park in one of the EV charging spaces. These spaces are limited so once your car has finished charging, we would be grateful if you could move to a non-EV charging space.
- If you do not need disabled parking or EV charging, please park in one of the non-marked spaces.


ACCESSING THE BUILDING:
- Walk towards the Service Entrance where your host will meet you and sign you in.
